

Atkinson Conservation Commission 2024 Fundraising for Construction of our Accessible Trails in the Slade Town Forest.

Thanks to generous donor support, we constructed 1,120 feet of 6-foot-wide Universally Accessible trails in the Slade Town Forest during Phase 1 in 2023. We'll be completing another 2,500 feet of trails and upgrading our parking lot in 2024, Phase 2. We need to raise \$30,000 from private donors ASAP to match our federal grant and to pay for features that are outside the scope of the grant contract.

Name: _____

Address: _____

City/State/Zip: _____

Email: _____

Amount: _____

Optional: In memory of: In honor of: _____

Please make checks payable to: Atkinson Conservation Commission. Include this completed form and mail or deliver to:

Atkinson Town Administrator 19 Academy Ave. Atkinson, NH 03811	Your tax-deductible donation will be acknowledged with a letter and/or an email. Please see IRS pub 526, and consult with your tax advisor, regarding this Qualified Charitable Donation.
--	---

We encourage you to visit Slade Town Forest to see what we accomplished in Phase 1. We hope you'll be inspired to support Phase 2, which will form a closed loop including a view of the Stewart Farm Pond prime wetland. For more information, **including directions**, please visit: <https://atkinsontrails.com/slade>
If you have further questions, please contact us at atkinsontrails@gmail.com.
